## **For Comments on Candidate Transportation Projects for the FY2008-2013 Six-Year Improvement Program**

The Commonwealth Transportation Board is holding public meetings for review and comment on candidate projects and programs for inclusion in the Fiscal Year 2008-2013 Six-Year Improvement Program, including highway, rail, bicycle, pedestrian and public transportation initiatives.

Projects include interstate and primary highway improvements. Rail and public transportation initiatives are also included, which may be developed and funded in partnership with your Metropolitan Planning Organization (MPO). Your MPO will be available to answer questions about regional transportation programs.

All SYIP projects eligible for federal funding will be included in the Statewide Transportation Improvement Program, which documents how Virginia will obligate its federal funds.
